APPLYING IS EASY

Once you have determined your eligibility and read the Application Guidelines at www.australiaawards.gov.au, simply follow the links to the online application.

You will need to provide a range of supporting documents with your application—see the Application Guidelines for details.

Eligible applications will be assessed by independent selection panels of academics and professionals in Australia. This transparent, merit-based selection process ensures the integrity of the Awards.

Applications open in early April and close 30 June for commencement in the following year. You are encouraged to start your application early.

ABOUT THE ENDEAVOUR AWARDS

The Endeavour Awards is the Australian Government's internationally competitive, merit-based scholarship program providing opportunities for citizens of the Asia Pacific, the Middle East, Europe and the Americas to undertake study, research or professional development in Australia. Awards are also available for Australians to do the same abroad.

The Endeavour Awards aim to:

- Develop ongoing education, research and professional linkages between individuals, organisations and countries.
- Provide opportunities for high achieving individuals to increase their skills and enhance their global awareness.
- Contribute to Australia's position as a high quality education and training provider and leader in research and innovation.
- Increase the productivity of Australians through an international study, research or professional development experience.

The Endeavour Awards are part of the Australia Awards initiative which brings together, under a single recognisable brand, the Endeavour Awards administered by the Department of Industry, Innovation, Science, Research and Tertiary Education and the Development Awards administered by the Australian Agency for International Development.
