My best holidays (Sent by Eugenia Nigro, a student from Quilmes, Argentina)

My best holidays took place in 1999 when I travelled to Europe for the first time. I went there with my grandmother to visit my cousins who live in Geneva (Switzerland).

I had the chance to be in French cities such as Paris and in Switzerland. I felt sad when I returned to Argentina (my country) because I knew I was going to miss Europe very much. Switzerland is a wonderful place I would like to live in. Now I am saving money in order to travel to Germany next year to watch the Football World Cup. I am twenty two years old and I am studying to become an English teacher.
